Federal regulations give the Law School Financial Aid Office the ability to adjust a student’s Cost of Attendance (COA), on a case-by-case basis, for the purchase of a laptop computer for educational use. **The maximum COA increase for the purchase of a computer is $2,500, which may include the cost of a printer and other peripheral devices.**

The computer expense must be paid by you within the academic year requested. You will need to **ATTACH a copy of your receipt of purchase to verify your computer expense.** We will post a revised award amount to the Student Information System. By increasing your COA, you may become eligible for additional loan money in the form of federal Direct Unsub or Graduate PLUS loans.

**NOTE: This process will NOT make you eligible for additional scholarship funds.**

I request my cost of attendance be increased in the amount of $_____________ to cover the cost for the purchase of a computer for the 2019-20 academic year. I have **ATTACHED** a copy of my receipt as verification of my expense. I understand that this COA increase for the computer expense is permitted only once, on a case-by-case basis, and is limited to $2,500. Additionally, if I decide to purchase another computer during my enrollment at UVA, I understand that no additional financial aid will be available.
